We laughed at the dodo and shot it where it stood

B<sup>m</sup> A D G  
Created menageries for the animals' own good

F<sup>#7</sup> G  
Aquariums to stimulate and please

F<sup>#7</sup> G  
Whilst pumping toxic waste into the sea

D F<sup>#m</sup> G  
As the whales and the dolphins ask

D F<sup>#m</sup> G  
"Do all oceans have walls of glass?"

D F<sup>#m</sup> G  
And I get weak

B<sup>m</sup> A D G  
They raced into space, with whoops and cheers, high five's

B<sup>m</sup> A D G  
The shuttle saves millions instead of a million lives

F<sup>#7</sup> G  
And still they talk of wonders yet in store

F<sup>#7</sup> G  
Whilst failing to repair what failed before

D F<sup>#m</sup> G  
In the stare of a malnourished child

D F<sup>#m</sup> G  
We store up our grain in piles

D F<sup>#m</sup> G  
And I get weak

B<sup>m</sup> A G B<sup>m</sup> A G  
Suffer the children of men, they're bombing the town once again

B<sup>m</sup> A G B<sup>m</sup> A G D  
Ask them why and I fear they may say "We worship the same thing but do it a different way....

F<sup>#m</sup> G  
....over more than too much

D F<sup>#m</sup> G  
Have we come so far to lose so much touch?

D F<sup>#m</sup> G  
We've raped and enslaved all we fear

D F<sup>#m</sup> G  
In the seconds of time we've been here

D F<sup>#m</sup> G D F<sup>#m</sup> G D F<sup>#m</sup> G  
And I get weak, and I get weak, and I get weak

D F<sup>#m</sup> G B<sup>m</sup> A G  
I get weak, so weak, so weak
