

Send Her Home To Me

Music & Lyrics © Simon Todd

(In the key of D, Capo2, chord shapes shown)

C Fmaj7 C Fmaj7
If I remember it right, it was a bright clear night when you took her away from me
C Fmaj7 C Fmaj7
And through the good and the bad, all the warnings I had were too subtle for me to see
A^m Fmaj7 A^m E^m Fmaj7
So take her wherever she wishes, give her something in which to believe
C C^{maj7}/B A^{m7} A^{m7}/G
And when you're done with her
D^m G C
Then please send her home to me

C Fmaj7 C Fmaj7
Let her return to a life full of colour and light, give her strength and a reason to live
C Fmaj7 C Fmaj7
Let your silver tongue talk where my fingers once walked, all the things that I never could give
A^m Fmaj7 A^m E^m Fmaj7
Be the rock on which she can rebuild her world, everything that I failed to be
C C^{maj7}/B A^{m7} A^{m7}/G D^m G C
And when you're done with her then send her on home to me

Fmaj7 C Dm G C
I'm finding these days that I'm failing to find all the things we all need to survive
Am Em D Dm G C
Reminding myself to breathe in and out, whilst crossing the great divide that we all try to hide

C Fmaj7 C Fmaj7
Place that look in her eyes on a pedestal high, see her safe when the seas are so rough
C Fmaj7 C Fmaj7
Protect every side, honour her and provide, when just being there isn't enough
A^m Fmaj7 A^m E^m Fmaj7
Be the only one she ever thinks of so she'll never have dreams to be "free"
C C^{maj7}/B A^{m7} A^{m7}/G D^m G C C⁷
And when you're done with her then send her on home to me
A^m Fmaj7 A^m E^m Fmaj7
Tell her you love her without any prompts and give her no reason to leave
C A^m D^m G (tacet) C Fmaj7
But when you're done with her then send her on home to me
C Fmaj7 C
Send her on home, yeah send her home
