D Dmaj7 G Gmaj7/F# Em
I guess that we all fear we'll wake the beast within us

G Gmaj7/F# Em D
And find we've found the way we'd like to be

D Dmaj7 G Gmaj7/F# Em
Forsaking every careful step for speeding round blind corners

G Gmaj7/F# Em D
Breaking every rule we've ever seen

G F#m
And you might think at times that that's precisely where my mind is at
Em A sus4/E A

G F#m
When I come home so late the dawn is near

Em A sus4/E A
Well I can only put you right and give some honest sound advice

Given free if you would like to hear

G A D
If I stumble, if I fall, if I'm too far gone to crawl
Dmaj7 Bm Bm7

If I'm talking in my sleep

G A D
If I'm not coming 'cross too wise, it should come as no surprise
Dmaj7 Bm Bm7

It could be I'm falling in too deep
Em A sus4/E A D

Or is it just the dirty company I keep, the company of angels

Dmaj7 G Gmaj7/F# Em G Gmaj7/F# Em Dsus4 D Dsus4

D Dmaj7 G Gmaj7/F# Em
Now I can easily understand why it may appear to the untrained eye

G Gmaj7/F# Em D
That I'm simply trying to cover up my tracks

D Dmaj7 G Gmaj7/F# Em
Well let me make this plain and clear, I come home 'cos you are here

G Gmaj7/F# Em D
It may take a while, but I get back

G F#m
There's nowhere else I want to be, I passed on opportunity
Em A sus4/E A

So I could make my way back home to you

G F#m
And if you're struggling with that fact, and fail to see the plus in that
Em A sus4/E A

Then I can only tell you that it's true

And if you're concerned who may have seen and worried where I might have been
D A Asus4/E A
Well it's twice as bad for me than you, 'cos I really haven't got a clue

G A D
If I stumble, if I fall, if I'm too far gone to crawl
Dmaj7 Bm Bm7
If I'm talking in my sleep
G A D
If I'm not coming 'cross too wise, it should come as no surprise

It could be I'm falling in too deep

It could be I'm falling in too deep
Em Asus4/E A
Or is it just the dirty company I keep
Em Asus4/E A D
Is it just the dirty company I keep
Em Asus4/E A D
Is it just the dirty company I keep, the company of angels?
